

Americrete Inc
MANUFACTURER OF DECORATIVE OVERLAYS & SEALERS
Reactive Stains
A-8000

Product Description

A-8000 Reactive Stains will enhance old and new concrete giving the concrete a decorative appearance. You can mix different colors to get different effects. The color will become as one with the concrete and will achieve dramatic results.

Coverage Rate

A-8000 will cover 150 to 200 square feet per gallon. It can also be diluted 50:50 with water.

Primary Uses

A-8000 is used for staining existing concrete for a decorative look for exterior and interior industrial, commercial and residential surfaces. **Note: Ocean Blue, Bronze and Olive Green are for INTERIOR use ONLY.**

Application

A-8000 should be sprayed with a non-metal pump-up sprayer. Surface must be neutralized and sealed. See Specification A-9,600 for detailed application procedures.

Important Notice to Purchaser
